

### Advent Evensong Series To Begin Sunday Evening

The first in a series of four Advent Evensongs, a pre-Christmas discussion of the meanings of Christ's birth, will be conducted Sunday evening from 5 p.m. until 6 p.m. at St. Andrew's Episcopal Church, 1432 Engracia Ave., it was announced here yesterday by the Rev. Hugh R. Percy, rector.

Under the series theme of "The Road to Bethlehem Today," the services will be inaugurated Sunday with a discussion on the topic, "From Darkness into Light."

A SPIRITUAL awakening around the nation as evidenced by the awareness of Americans in major issues and their place

in the world will be discussed Sunday.

"There are many other encouraging signs throughout the world," the Rev. Mr. Percy said. "India, Egypt, and darkest Africa—all are reaching out from darkness for the light of independence," he added.

OTHER discussions in the four-week series will be concerned with the place of the Bible in history; the arrival of two significant eras of civilization with the birth of Christ and development of atomic power; and at the final service on Dec. 18, the "Joy in Believing," an appeal for mankind to move forward through the confidence of believing, "a faith that sings."

### Wesleyan Guild Service Group Has Dinner Meet

The regular dinner meeting of the Wesleyan Service Guild of the First Methodist Church was held Nov. 16 at the church with Mrs. Dorothy Goodale opening the service.

During the course of the business meeting, it was recommended that money from the Christmas money tree be sent to the Harwood School for Girls in New Mexico. Mrs. Ethel Hutchison reported on the activities of the "Presidents Retreat" in Pacific Palisades that she and Mrs. Leona Eads, president, attended Nov. 5th and 6th. The theme of the program was "The Faith that Compels Us."

In the absence of Mrs. Lois Sluga, Mrs. Buelah Strom acted as chairman of the program for the evening and presented an interesting account of the Women's division of Christian services in Africa, South East Asia and Hong Kong and the progress of the schools and medical centers being established there. Mrs. Leona Eads followed this with a report from southern Rhodesia.

Special guest, Mrs. Helen Wieman, entertained the Guild by showing slides of England where she spent a year as an exchange teacher. Mrs. Dorothy Goodale, in charge of worship service, closed the meeting with a chain prayer at 9:00 p.m.

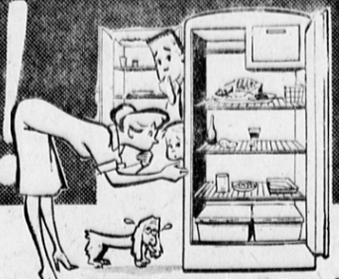

### Lesson-Sermon Tonic Stated

"Take heed that no man deceive you." This admonition of Jesus to his disciples (Matt. 24:4) is the Golden Text of the Sunday sermon in all Christian Science churches. Spiritual alertness based on an understanding of Truth brings freedom from evil of every kind. This theme keynotes the Lesson-Sermon entitled "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

In a selected passage from the Bible, Paul counsels "For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures," "The Christian Scientist has enlisted to lessen evil, disease, and death; and he will overcome them by understanding their nothingness and the illness of God, or good. Sickness to him is no less a temptation than is sin, and he heals them both by understanding God's power over them. The Christian Scientist knows that they are errors of belief, which Truth can and will destroy."
